

The figure displays the convergence of four metrics over time. The 'Energy' and 'Prior' metrics show a sharp initial drop followed by a gradual decline. 'Fidelity' shows a slow, steady increase. 'Mass' remains relatively stable throughout the process.

time	Energy	Prior	Fidelity	Mass
0.00	80	80	0	5
0.02	25	20	2	5
0.04	15	10	4	5
0.06	12	8	5	5
0.08	10	5	5	5
