

The graph displays the convergence of four metrics over time. The 'Prior' (orange) and 'Energy' (blue) curves show a sharp initial drop, with the 'Prior' converging faster. 'Fidelity' (green) shows a very slight increase, while 'Mass' (red) remains constant near zero.

time	Energy	Prior	Fidelity	Mass
0.00	45	45	0.00	0.00
0.01	15	15	0.01	0.00
0.02	5	5	0.02	0.00
0.03	2	2	0.03	0.00
0.04	1	1	0.04	0.00
