

The figure displays the convergence of four metrics over time. The 'Energy' and 'Prior' metrics show a sharp initial drop, indicating rapid convergence. 'Fidelity' shows a slow, steady increase, while 'Mass' remains constant, suggesting it is a baseline or a conserved quantity in this context.

| time | Energy | Prior | Fidelity | Mass |
|------|--------|-------|----------|------|
| 0.00 | 100 | 100 | 0.00 | 0.00 |
| 0.02 | 40 | 30 | 0.01 | 0.00 |
| 0.04 | 15 | 10 | 0.02 | 0.00 |
| 0.06 | 8 | 5 | 0.03 | 0.00 |
| 0.08 | 5 | 3 | 0.04 | 0.00 |
| 0.10 | 4 | 2 | 0.05 | 0.00 |
