

The graph displays four metrics over time (0.0 to 0.4). The y-axis, labeled 'iterations', ranges from 0 to 40. The legend identifies the metrics: Energy (blue), Prior (orange), Fidelity (green), and Mass (red). Energy and Prior decrease rapidly, while Fidelity and Mass increase slowly.

time	Energy	Prior	Fidelity	Mass
0.0	40	40	0	0
0.1	15	10	5	1
0.2	10	5	8	2
0.3	8	3	10	3
0.4	7	2	12	4
