

The figure displays the convergence of four metrics over time. The 'Energy' and 'Prior' metrics show a sharp initial drop, indicating rapid convergence. 'Fidelity' shows a slow, steady increase, while 'Mass' remains constant, suggesting it is a conserved quantity or a baseline metric.

time	Energy	Prior	Fidelity	Mass
0.00	55	55	0.00	0.00
0.01	25	25	0.01	0.00
0.02	15	15	0.02	0.00
0.03	10	9	0.03	0.00
0.04	7	6	0.04	0.00
0.05	5	4	0.05	0.00
0.06	4	3	0.06	0.00
